Are You Ready for Tablets?

Presenter: *Dr. Xiaopeng Ni, Senior Instructional Designer, Center for eLearning*

Many mobile tablets are entering the market. Are you thinking about having one? Which one should you choose (e.g., iPad, Galaxy, Xoom, or Kindle)? What are the benefits? How can you enhance your research, teaching, and personal application through tablet computers? In this presentation, Dr. Xiaopeng Ni will help you explore these mobile tablets options.
