Portfolio Requirement

†CSU's College of Education and Human Services requires its students to prepare portfolios documenting their growth and achievement in twelve outcomes. At CSU the portfolio process begins in EDB 200, must include a reflective piece or pieces on field experiences or other aspects of the course, and should be organized according to the twelve outcomes so that additional important assignments, in this and other courses, can be incorporated into the evolving portfolio.

Students planning to complete their teaching licensure program at CSU should explore additional information about the CSU portfolio requirement at:
