### Double-Counting

"Double-counted" courses satisfy two General Education requirements, but the earned semester hours of these courses are not doubled.

## CSU Foreign Language Graduation Requirements

### University Requirement for High School Graduates in 1987 or Later:

- The University requires that students pass two (2) years of the same high school foreign language.
- Transfer students may substitute two (2) semesters of the same college-level foreign language for this high school requirement, if they received a C- or higher in both semesters.
- Transfer students who did not complete CSU's foreign language requirement in high school or college must pass two (2) semesters of the same foreign language or take two (2) semesters of American Sign Language and one (1) approved foreign culture course at CSU.

## Portfolio Requirement

†CSU's College of Education and Human Services requires its students to prepare portfolios documenting their growth and achievement in twelve outcomes. At CSU the portfolio process begins in EDB 200, must include a reflective piece or pieces on field experiences or other aspects of the course, and should be organized according to the twelve outcomes so that additional important assignments, in this and other courses, can be incorporated into the evolving portfolio.

***Students planning to complete their teaching licensure program at CSU should explore additional information about the CSU portfolio requirement at:***
