*“Participate by giving”*

The purpose of Uniting to Share Campaign is to have members of the CSU community come together in their sharing to make a bigger impact.

Your gift is tax-deductible and it WILL make a difference, no matter what amount you choose to give because you are giving as a member of the CSU community.

When the country is suffering from economic hardship it is even more important to give because more people are turning to non-profit organizations for help with basic needs.

You can help those struggling by filling out this pledge form and donating to the CSU Uniting to Share Campaign.

No matter how little you have, someone else always has less.

Thank you for your support!

After filling out your form, please return it to your area Campaign Ambassador or
